

Annual Report

Meeting on **July 13, 2023**

Land Acknowledgement

Esport Canada brings together a community of gamers on traditional Indigenous land. While we, who are in person, meet on Treaty 13 land, and others join us on a virtual platform, we respect the unceded and treaty lands we are on and acknowledge the harms and mistakes of the past and present. We dedicate ourselves to authentic alliances with Indigenous communities in a spirit of reconciliation and cooperation.

Introduction

Esport Canada is a federally registered not-for-profit corporation and national governing body for Canadian esports. We work in conjunction with our Members to promote the growth and development of esports participation and excellence at all levels of play, for all Canadians. We advocate for the development of talent in Canada and opportunities to work and thrive in Canada, while striving to create equitable opportunities for all Canadians to engage and excel in esports.

Our Mission

Our mission is to empower Canadian gaming communities through collective advocacy, representation, and sanctioned competition and events that allow all Canadians to engage and excel in esports.

Our Vision

Our vision is to build the Canadian Esports Ecosystem by fostering a national community built on respect, excellence, and love of the game

Core Values

Built upon our core values of Diversity, Equity, and Inclusion, Advocacy, Collaboration, and Play, we aim to provide opportunities for all Canadians to thrive personally and professionally while supporting and promoting healthy, balanced gaming lifestyles, sportsmanship, excellence, and love of the game.

Diversity, Equity, and Inclusion

Esport Canada believes in fostering safe and inclusive spaces for ALL Canadians to play, compete, learn, excel, and belong.

Advocacy

Esport Canada is committed to advocating for inclusive and equitable environments where all Canadians can engage in competitive gaming.

Collaboration

Esport Canada works to unify, amplify, and empower schools, local gaming communities, and industry so we can reach the highest standards of excellence, together.

Play

Esport Canada believes that positive gaming communities where everyone can learn, compete, strive for excellence and find belonging through games brings out the best in us

Esport Canada Post Secondary

Esport Canada Post–Secondary Esport Canada Post–Secondary (**ECPS**) is a national council dedicated to advancing post–secondary esports in Canada and fostering its growth through the promotion of Standards of Excellence. ECPS is founded upon three (3) fundamental pillars:

- **Advocacy:** ECPS actively engages in advocating for Canadian post–secondary esports programs, ensuring their inclusion, and addressing their specific requirements with regard to North American Leagues, publishers, and government entities
- **Recognition:** ECPS seeks to recognize and acknowledge exceptional achievements within the Canadian post–secondary esports landscape by:
 - Identifying top teams in Canada using the Canadian Power Rankings and National Tournaments.
 - Awarding and celebrating the success and outstanding contributions and accomplishments of coaches, staff, programs, players, and students.
- **Education:** ECPS aims to promote the growth of esports in Canadian post–secondary institutions by:
 - Encouraging and persuading more Canadian institutions to allocate resources to esports.
 - Assisting in the establishment and development of new varsity esports programs in Canadian post–secondary institutions.
 - Providing guidance to student esports clubs in their efforts to obtain varsity recognition and support.
 - Establishing Standards of Excellence to define the criteria and expectations for varsity programs.
 - Conducting and publishing an annual survey to collect and present a comprehensive overview of the current state of post–secondary esports in Canada.

Esport Canada Competitive

Esport Canada Competitive (**EC COMP**) is a national council that works alongside not-for-profit provincial associations, grassroots organization, industry, and the many diverse gaming communities across the country to develop and support Canadian talent and opportunities to participate and excel at all levels of play, for all Canadians.

- **Recreational Esports**

- Supporting leagues, tournaments, and drop-in gaming communities that range from new players to top competitors. The purpose of this setting is to compete and have fun, founded on a shared love of the game.

- **Club Esports**

- Supporting leagues and tournaments that are focused on accelerated skill development. These programs develop the player and help create pipelines to amateur and professional opportunities through tiered gaming, academy schools, and junior leagues.

- **Amateur Esports**

- Supporting Canada's top amateur players as they develop their pathway to professional esports through experience and exposure in provincially and nationally sanctioned tournaments and leagues, and opportunities to represent Canada on the international stage.

- **Professional Esports**

- Supporting professional Canadian esports talent and opportunities to play on professional teams in Canada through strategic partnerships and government advocacy.
